G.O. No. 655

DATED 2. 4. 1928

[Despatch Abstract.]

Co-operative Societies :-

Establishment - peon attached to inspector, Kollegal - permanent retention - Sanctioned.

From the Registrar of Co-operative Societies, Madras, D.No.1167/27 dated the 7th June 1927, to the Secretary to Govt. Development Department, through the Accountant-General, Madras.

Establishment - peon for the Inspector of Co-operative Societies, Kollegal, Coimbatore Section - sanction - requested.

The Inspector of Co-operative Societies working in the Kollegal area in the Coimbatore district requests that he may be provided with a peon in view of the unhealthy climatic conditions, and the want of postal facilities in that area. The Deputy Registrar, Coimbatore emphasises the fact that there are no proper postal facilities in the area and that the inspector has necessarily to waste much of his time in going to Kollegal every time he wants to receive and post tappals, and recommends that the Inspector may be given a peon. I agree with the Deputy Registrar and requests that Government may be pleased to sanction as a special case, the appointment of a peon on Rs.12 per mensem and a special pay of Rs.2 per mensem for the Inspector of Co-operative Societies, Kollegal.

2. The additional cost involved will be met from the existing provision in the Budget of the current year under ii Deputy and Assistant Registrars - Pay of Establishment - voted.

Endorsement of the Accountant-General No. Agri-III-1-165 dated the 20th June 1927.

Forwarded.

2. There is no audit objection to the Registrar's proposal being sanctioned by Government.

The proposal is a new item of expenditure not contemplated in the budget and will therefore have to be placed before the Finance Committee. As however the peon appears to be urgently required and as the amount involved is trifling and can be met from the existing provision in the budget, Finance may be requested to agree to the peon being sanctioned at once temporarily till the end of the year, and proposals for a permanent peon being placed before the Finance Committee.

The Registrar of Co-operative Societies recommends that the Inspector working in the Kollegal area in the Coimbatore district may be allowed a peon in view of the unhealthy climate and the want of postal facilities in that area. It is represented that the Inspector has to waste much of his time in going to Kollegal every time he wants to receive and post tappals.

This department is convinced of the necessity for a peon and strongly supports the Registrar's recommendation. As the peon was required immediately the Government have sanctioned one temporarily till the end of the current year. It is proposed to retain him permanently.
